

# Clementine & Rooibos Tea Fizz

## Syrup:

- 1 ½ cups cold rooibos tea
- 1 ½ cups clementine juice (pulp removed)
- Sugar to taste

## To Serve:

- Ice
- Clementine slices

## Method:

Mix the tea and clementine juice.

Taste and add sugar while stirring until the desired sweetness.

Carbonate using your [BIBO fizz bar](#).

The carbonation process will create quite a bit of foam so wait for the foam to settle before opening.

Serve with ice and slices of clementine.
